BUILD THE RAILROAD.

The Rev. Sam P. Jones has recently returned from a trip to Colorado, and while there made a visit to Cripple Creek and other rich mining towns of that famous section. He says he saw more gold than ever before in his life, and speaks in pleasant terms of the towns and the people. Wages are good, money plentiful and everybody apparently happy. There seems to be no end to gold. It extends, he says, from grass roots down in the ground twelve hundred feet and still on down. No one knows how far. Mr. Jones is a philosopher. With all these riches in sight he says: "The vices grow greater and broader as they go down, and yet in spite of all I have said there are but two classes of men who can afford to monkey with gold mining property. One is the fellow who has no other means of making a million or more and feel it mean. The other is a poor devil who has nothing to lose. These two classes of men can afford to monkey with gold mines."

We do not quite think so. Among any of our friends who are engaged in monkeying with gold mines, we saw stated some very sensible opinions. One was that the business was in Sanda was superior to Cripple Creek. We hope they are right, and that very soon all of these rich mines may be won.

But these gentlemen who are interested in Colorado gold property are not building a railroad from Newberry to Augusta via the mountains. They are greatly interested in the road, but two little towns spring up along the road, but we hope no one will build it enough to oppose a railroad that would account for the business of the State. This would be a great boon to the people of the State, and would be a great boon to the people of the State, and would be a great boon to the people of the State.

MAJ. D. R. DUNCAN.

The death of Maj. Duncan at his home in Spartanburg on Tuesday morning removes from the State one of her foremost citizens. Maj. Duncan was a native of Virginia, but had spent his life almost entirely in Spartanburg having moved there before the war. He was a brave soldier, an upright citizen, and a Christian gentleman. For eight years he was solicitor of the seventh circuit, and in that way became acquainted with many of our people, and not a great many friends in this county who will hear of his death with regret. He was faithful and fearless in the discharge of his duty.

The proposition for biennial sessions has passed the house. We do not see much benefit to be derived from this change. About the only argument in its favor is economy. We doubt if there would be any saving. It is proposed to limit the biennial session to fifty days. This would save thirty days in two years, but there is no telling how many days would be spent in extra sessions and they would be without it. The only advantage we can see is that we would then have elections every four years. That might help some, but we doubt it. Better not be changing the constitution too much. The States which have biennial sessions usually have extra sessions.

COUNTY PENSION LIST.

A REVISED LIST OF THOSE WHO ARE ENTITLED TO PENSION IN THIS COUNTY.

The Work of the County Pension Board which closed its work on Monday - 112 Entitled to Pensions - Three Less Than Last Year.

The County Pension Board held its last meeting on Monday and closed up the work before it, and through the kindness of Mr. W. G. Peterson, clerk of the Board, we are enabled to publish the result of their work.

As will be seen the pensioners are divided into classes, which last year received pensions as follows:

Class A, \$72; Class B, \$16.40; Class C, No. 1, \$19.30; Class C, No. 2, \$12.30; Class C, No. 3, \$12.30; Class C, No. 4, \$12.30.

The 1901 Act provides in regard to these classes as follows: "(a) All soldiers and sailors who lost both arms or both legs, or sight, or who are physically helpless, the sum of eight dollars per month. (b) All soldiers or sailors who lost one arm or leg in the said service, the sum of four dollars per month. (c) All other persons entitled to pensions under the provisions of this chapter, the sum of three dollars per month."

The law further provides: "The sum of at least one hundred thousand dollars shall be appropriated to pay the pensioners provided for in this chapter, and in case the same, or such amount as shall be appropriated, shall be insufficient, then the amount so appropriated shall be distributed proportionately among those legally entitled to receive the same: Provided, That these pensioners described in subdivision (a) shall have been first paid in full."

As will be seen from the list Newberry has no pensioners in class A, and the above provision accounts for the pensioners not receiving the amounts designated in the law.

The following is a complete list of those who will receive pensions this year in this county:

2. Kinard, Margaret, Pomaria.

The State Board held last year that a man with over \$400 and a woman with over \$500 worth of property should be able to earn a gross income of \$75 or \$100. The following were dropped from last year's roll because the Board thought from evidence given them that they had enough property to produce the gross income as stated above:

CLASS C, NO. 2.
1. Counts, J. B., Soudleys.
2. Dominick, H. M., Prosperity.

CLASS C, NO. 4.
1. Graham, Polly C., Reuben.
2. Dominick, Nancy C., Prosperity.
3. Quattlebaum, S. C., Prosperity.
4. Richardson, Nancy E., Prosperity.
5. Ringer, Margaret, Pomaria.

All the above have the right of appeal to the State Board or if they can satisfy the County Board that the evidence given the Board is incorrect can have the cases renewed.

White Man Turned Yellow.

Great consternation was left by the friends of M. A. Hogarty of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful Stomach and Liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all Stomach, Liver and Kidney troubles. Only 25c. Sold by all druggists.

HOME AND CHILD

Does your horse "feel his oats"? What a difference between the grain-fed and the grass-fed horse! The first strong and full of ginger, the second flabby, weak and tired out before he begins. The feeding makes the difference.

Children are not alike either. One is rosy, bright-eyed, full of life and laughter, another is pale, weak and dull. The feeding again is responsible.

Sickly children need special feeding. They don't "feel their oats". Scott's Emulsion adds just the right richness to their diet. It is like grain to the horse. The child gets new appetite and strong digestion.

Scott's Emulsion is more than food. It is a strong medicine. It rouses up dull children, puts new flesh on thin ones and red blood into pale ones. It makes children grow. Scott's Emulsion makes ordinary food do its duty.

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle. Send for free sample. SCOTT & BOWNE, 409 Pearl St., New York. 50c and \$1. all druggists.</
